

As you know, the next St Mary's zoom church service is due to take place on this Sunday 14 March at 11am.

Please find attached the service sheet which details all the parts of the service so you can easily follow.

We were delighted with the continuing large attendance for the last service, including many from All Saints and St Johns, and we hope that you will join us on Sunday.

We are grateful to Clive Andrews for hosting us on his extended zoom link account.

The service will start punctually at 11 am, but you can join the service via the zoom link from 10.45 am, where you can meet up briefly with the others attending.

However should you need to join later then you can join mid-service.

There will be a better opportunity to talk to each other after the service.

You are asked to remain on mute throughout the service.

Please find here the invitation to join the Zoom Service. Clive Andrews is our host and he will invite you in to the join the service from 10.45.
