

# Prayer for Myanmar

Almighty God,  
Grant peace to the nation of Myanmar,  
And to every heart made fearful  
by conflict and tension.  
Give wisdom and compassion to leaders  
that they may listen patiently, seek justice and  
care for the poor of every race and religion.  
Sustain your Church with strength  
to proclaim your good news,  
And to speak love and hope  
into pain and division.  
We ask these things in the name of your Son,  
Jesus Christ, the Prince of Peace  
Amen.

THE BISHOP of  
WINCHESTER
