

**All Saints' Church, Dogmersfield
Pet Service
Sunday 26th June at 11am**

All God's creatures welcome ... why not bring your pet?

All Saints' Church will be holding its annual Pet Service on **Sunday 26th June 2022 at 11am**. The collection held at the service will go to Anglican Society for the Welfare of Animals (ASWA).

ASWA are an Anglican (Church of England) organisation founded over 30 years ago. In particular, they are concerned with the abuse of animals. More information can be found at aswa.org.uk.

Samantha Chandler will be at the Service to give a talk on the work on ASWA. Sam has been Secretary at ASWA since 1996 and has been involved in animal welfare for over 25 years.

As usual those in attendance at the Pet Service will include **dogs, a donkey and usually anything from rabbits to hamsters, goldfish to chickens!** Everyone is welcome and it would be great to see as many pets as possible!
